

EMERGENCY PREPAREDNESS SAFETY ALERT

March 25, 2021

Hello Village of Neilburg and RM of Hillsdale No. 440 Ratepayers and Residents,

You are receiving this information because you own property, rent or lease, or have a business in the Rural Municipality of Hillsdale No. 440 or Village of Neilburg. The two municipalities are working together to compile an **Emergency Preparedness Safety Alert List**. This consists of names, addresses, emails and phone numbers of everyone within our service area.

This list will be used with H₂Safety to allow the RM and Village to send notification by phone, email and text in the event of a serious emergency (drinking water advisories, evacuation, wild fire, etc.). Your information will be held with the utmost security and never be given out to any other entity. To ensure the system works and to keep it current we will be sending out greetings from time to time once tests are complete. For example: on July 1 you may receive a message, 'Happy Canada Day from RM440 & Neilburg'. This is not to be an annoyance but to ensure we can alert you in an emergency.

We require contact information for anyone above the age of 18 within our service area.

Please **print clearly** and fill in the following with your current contact information, and return it to the Municipal Office in Neilburg as soon as possible or by April 26, 2021. You may drop off, mail, fax or email to address at bottom of sheet. Additional spaces for more individuals can be found on the back of this page. Additional copies can be found at the Municipal Office in Neilburg, on www.neilburg.ca or www.rmofhillsdale.com, or simply make a copy.
